**Mediacom Delaware LLC's Application for Renewal of Cable Television
Franchise**

On October 17, 2013, Mediacom Delaware LLC ("Mediacom" or "Company") filed an application with the Delaware Public Service Commission ("Commission") to commence proceedings, pursuant to 47 USC §546, to renew its cable television franchise currently serving certain unincorporated areas of Sussex County, Delaware.

Mediacom is the current holder of a fifteen (15) year cable television franchise issued by the Commission in July, 2000 ("Franchise") to provide cable television service in certain unincorporated areas of Sussex County ("Franchise Territory"). The Franchise is set to expire on June 10, 2016, but includes a provision granting Mediacom an option to request renewal for an additional period not to exceed fifteen (15) years.

On February 6, 2014, the Commission opened this docket for consideration of the possible renewal of the Franchise. The Commission required that two (2) evening public comment sessions be held at appropriate locations within the Franchise Territory for the

purpose of (a) identifying the future cable-related community needs and interests; and (b) reviewing the performance of the cable operator under the Franchise during the current Franchise term.

Because the service area contains many seasonal residents, it was decided that this third public comments session is necessary to provide ample opportunity for all customers to be heard.

The Hearing Examiner may, under the authority provided in Commission Order No. 8527, conduct evidentiary hearings, to be scheduled at a later date, concerning this Application. The Commission will make its decision on this matter on the basis of the comments received at the Public Comment Sessions and the record evidence taken at the public evidentiary hearing, if applicable. The Commission may approve or reject the proposed Franchise renewal.

Anyone planning to attend the public comment session should consult the Commission's website prior to the event for any changes or cancellations in the time, place, or date.
